ARTICLE II

PLAN STRUCTURE

2.1 Basis for Plan Structure

The Plan is premised upon the following: (a) all material assets of the Debtors have been pledged to secure the Existing First Lien Claims and the Existing Second Lien Claims; (b) subject to the settlement described in Section 2.3(a) of the Plan, the amount of the Existing First Lien Claims exceeds the value of the pledged assets, and the First Lien Lenders have first priority Liens in all of the pledged assets; (c) any dispute as to the value of the pledged assets with respect to the second priority Liens of the Second Lien Lenders would be expensive, time-consuming, and detrimental to the success of the Debtors’ reorganization efforts; (d) there are no unencumbered assets or, alternatively, any unencumbered assets are of de minimis value; (e) any de minimis value associated with any unencumbered assets would be exhausted by Administrative Claims, Priority Tax Claims, and Other Priority Claims; (f) the treatment of Other Secured Claims and General Unsecured Claims is dependent upon certain settlements and the applicability of either the Consensual Plan Alternative or the Non-Consensual Plan Alternative; (g) the treatment of General Unsecured Claims under the Consensual Plan Alternative is dependent on the expected amount of such Claims; and (h) the future success of the Reorganized Debtors is dependent on paying all or a reasonable portion of Trade Unsecured Claims.

2.2 Substantive Consolidation

(a) Request for Substantive Consolidation

The Plan constitutes a motion for substantive consolidation of the liabilities and properties of all the Debtors for purposes of distribution, the confirmation of the Plan shall constitute approval of the motion by the Bankruptcy Court, and the Confirmation Order shall contain findings supporting and conclusions providing for substantive consolidation on the terms set forth in Section 2.2(b) of this Plan.

(b) Effect of Substantive Consolidation

As a result of the substantive consolidation of the liabilities and properties of all the Debtors, except as otherwise provided in the Plan, (i) the chapter 11 cases of the Subsidiary Debtors shall be consolidated into the case of RHI INC as a single consolidated case; (ii) the Estate of each of the Debtors shall be deemed to be one consolidated Estate; (iii) all property of the Estate of each Debtor shall be deemed to be property of the consolidated Estates; (iv) all Claims against each Estate shall be deemed to be Claims against the consolidated Estates; (v) no distributions under this Plan shall be made on account of any Intercompany Claims, but at the election of the Debtors or the Reorganized Debtors, as applicable, such Claim may be adjusted, continued, or capitalized, either directly or indirectly or in whole or in part as of the Effective Date, and no such disposition shall require the consent of the holders of New Common Stock or the consent of any holder of Subsidiary Interests; (vi) all Claims based upon prepetition unsecured guarantees by one Debtor in favor of any other of the Debtors (other than guarantees existing under any assumed executory contracts or unexpired leases) shall be eliminated, and no distributions under this Plan shall be made on account of Claims based upon such guarantees; (vii) for purposes of determining the availability of the right of setoff under Section 553 of the Bankruptcy Code, the Debtors shall be treated as one consolidated entity so that, subject to the other provisions of Section 553, prepetition debts due to any of the Debtors may be set off against the prepetition debts of any other of the Debtors; (viii) no distributions under this Plan shall be made on account of any Subsidiary Interests, but such Interests shall be retained by their respective holders for the benefit of the holders of the New

Common Stock, subject to any applicable restrictions arising under the Exit Revolving Credit Facility or the New Second Lien Term Loan Facility; and (ix) the RHI INC Interests shall be subject and subordinate to the Claims against the consolidated Estate.

Substantive consolidation shall not merge or otherwise affect the separate legal existence of each Debtor, other than with respect to distribution rights under this Plan; substantive consolidation shall have no effect on valid, enforceable and unavoidable Liens, except for Liens that secure a Claim that is eliminated by virtue of substantive consolidation and Liens against collateral that are extinguished by virtue of substantive consolidation; and substantive consolidation shall not have the effect of creating a Claim in a class different from the class in which a Claim would have been placed in the absence of substantive consolidation.

Substantive consolidation shall not affect the obligation of each of the Debtors, pursuant to Section 1930 of Title 28 of the United States Code, to pay quarterly fees to the Office of the United States Trustee until such time as a particular chapter 11 case is closed, dismissed or converted.

2.3 Secured Lender Settlement

(a) Issues Subject to Settlement

The terms of the Plan settle issues in dispute among the Debtors, the First Lien Lenders, and the Second Lien Lenders. Such issues relate to the value of the assets pledged to secure the Existing First Lien Claims and the Existing Second Lien Claims and the intercreditor rights of the First Lien Lenders and the Second Lien Lenders to the pledged asset value. The treatment of the Existing First Lien Claims under Section 4.2(b) of the Plan and the treatment of the Existing Second Lien Claims under Section 4.2(c) of the Plan reflect the results of such settlement.

(b) Approval of Settlement

The Plan is deemed to be a motion for approval of the compromise and settlement of the issues described in Section 2.3(a) of the Plan. The confirmation of the Plan shall constitute approval of the motion by the Bankruptcy Court and the Confirmation Order shall contain findings supporting and conclusions approving the compromise and settlement as fair and equitable and within the bounds of reasonableness.

2.4 Consensual or Non-Consensual Plan Alternatives

(a) Impact of Alternatives on Certain Claim Treatments

The treatment of Allowed Other Secured Claims in Class 4 and Allowed General Unsecured Claims in Class 5 shall be dependent on whether or not the Debtors reach settlements acceptable to the First Lien Agent with respect to (i) MAT Movies & Television Productions GmbH & Co. Project IV KG and Hallmark Entertainment Holdings, Inc., (ii) U.S. Bank National Association, U.S. Bank National Association, Canada Branch, and certain production entities, borrowers, and guarantors to which, or for the benefit of which, U.S. Bank National Association and U.S. Bank National Association, Canada Branch made loans, and (iii) Powercorp International Limited and Powercorp International Holdings Limited.

(b) Deadline for and Implementation of Consensual Plan Settlements

Until the earlier of the deadline for filing the Plan Supplement and the Bar Date applicable to General Unsecured Claims, the Debtors shall be permitted to seek to reach the required settlements. If any required settlement is reached and closed prior to the Petition Date, such settlement shall constitute a Film Obligation Settlement under Section 7.3(b) of the Plan, shall be evidenced in a supplement to Exhibit G to be included in the Plan Supplement or, at the election of the Debtors with the consent of the First Lien Agent, shall be the subject of a motion for approval to be filed with the Bankruptcy Court by the earlier of the deadline for filing the Plan Supplement and the Bar Date applicable to General Unsecured Claims. If any such settlement is reached or closed after the Petition Date, it shall be the subject of a motion for approval to be filed with the Bankruptcy Court by the earlier of the deadline for filing the Plan Supplement and the Bar Date applicable to General Unsecured Claims.

(c) Notice of Applicable Alternative

If the required settlements are reached, and thus the Consensual Plan Alternative is determined to apply, the Debtors shall file with the Bankruptcy Court a notice of such determination contemporaneously with the filing of the Plan Supplement. In that event, Other Secured Claims in Class 4 shall be entitled to the treatment provided in Section 4.2(d)(i) of the Plan and General Unsecured Claims shall be entitled to the treatment provided in Section 4.2(e)(i) of the Plan. If the required settlements are not reached, and thus

the Non-Consensual Plan Alternative is determined to apply, the Debtors shall file with the Bankruptcy Court a notice of such determination contemporaneously with the filing of the Plan Supplement. In that event, Other Secured Claims in Class 4 shall receive the treatment provided in Section 4.2(d)(ii) of the Plan and General Unsecured Claims shall receive the treatment provided in Section 4.2(e)(ii) of the Plan.

2.5 Estimated Class 5 Allowed Claims Determination

(a) Impact of Determination on Treatment of General Unsecured Claims

Under the Consensual Plan Alternative, the treatment of General Unsecured Claims under the Plan shall be dependent on whether or not the Estimated Class 5 Allowed Claims are determined to exceed the Maximum Class 5 Amount.

(b) Deadline for and Implementation of Determination

No later than ten (10) days after the applicable Bar Date and following consultation with the Debtors, the First Lien Agent shall determine if Estimated Class 5 Allowed Claims exceed the Maximum Class 5 Amount.

(c) Notice of Determination

If the First Lien Agent determines that Estimated Class 5 Allowed Claims do not exceed the Maximum Class 5 Amount, the Debtors shall file a notice with the Bankruptcy Court advising that General Unsecured Claims shall receive the treatment provided in Section 4.2(e)(i)(A) of the Plan. If the First Lien Agent determines that Estimated Class 5 Allowed Claims exceed the Maximum Class 5 Amount, the Debtors shall file a notice with the Bankruptcy Court advising that General Unsecured Claims shall receive the treatment provided in Section 4.2(e)(i)(B) of the Plan.

2.6 Accommodations by First Lien Lenders

The First Lien Lenders shall have agreed, by their votes in favor of the Plan, (a) to allow distributions to be made to the Second Lien Lenders pursuant to Sections 2.3 and 4.2(c) of the Plan, (b) if the Consensual Plan Alternative applies and the Estimated Class 5 Allowed Amount is determined not to exceed the Maximum Class 5 Amount, to permit Allowed General Unsecured Claims to be Reinstated pursuant to Section 4.2(e)(i)(A) of the Plan, and (c) if the Consensual Plan Alternative applies but the Estimated Class 5 Allowed Amount is determined to exceed the Maximum Class 5 Amount or if the Non-Consensual Plan Alternative applies, to allow the establishment of the Trade Account and payments to be made to the holders of eligible Allowed Trade Unsecured Claims pursuant to Section 6.9 of the Plan. Agent. The designation of directors pursuant to the foregoing clause shall be made in the Plan Supplement. The New Board shall serve in accordance with the Reorganized Parent Governing Documents and shall be subject to replacement or removal as provided therein.

(b) The officers of RHI INC serving immediately prior to the Effective Date shall continue to serve in their same respective capacities after the Effective Date for and on behalf of Reorganized RHI INC in accordance with and subject to the replacement or removal provisions of the Reorganized Parent Governing Documents.

(c) Subject to the Restructuring Transactions, the existing directors and officers of the Subsidiary Debtors shall continue to serve in their same respective capacities after the Effective Date for the Reorganized Subsidiaries, in accordance with and subject to the replacement or removal provisions of the Reorganized Subsidiary Governing Documents.

6.8 New Management Incentive Plan

(a) In accordance with the New Management Incentive Plan, (i) on the Effective Date, (A) Reorganized RHI INC shall be authorized and directed to establish and implement the founders equity plan and the management equity incentive plan, under which, *inter alia*, an aggregate of 15% of the total amount of New Common Stock (without giving effect to the shares reserved for issuance pursuant to the New Warrants) shall be issued or reserved for issuance, as described on Exhibit D; and (B) the Reorganized Debtors shall enter into new employment agreements, as described on Exhibit D; and (ii) after the Effective Date, the Reorganized Debtors shall establish and implement the annual incentive plan, as described on Exhibit D.

(b) As of the Effective Date, pursuant to the Confirmation Order and Section 303 of the Delaware General Corporation Law, the New Management Incentive Plan (and in particular the founders equity plan and the management equity incentive plan) shall be deemed adopted by the unanimous action of the New Board and approved by the unanimous action of the stockholders of Reorganized RHI INC (including, without limitation, for purposes of Section 422 of the Internal Revenue Code of 1986, as amended, and the Treasury Regulations thereunder). The foregoing sentence shall not be deemed to limit the application of Section 303 of the Delaware General Corporation Law to any other corporate action taken pursuant to the Plan.

(c) The New Management Incentive Plan may be amended or modified from time to time by the New Board in accordance with the terms of the particular plan document or agreement, and any such amendment or modification shall not require an amendment of the Plan.

6.9 Trade Account Distributions

(a) This Section 6.9 of the Plan shall be applicable only (i) under the Consensual Plan Alternative if Estimated Class 5 Allowed Claims exceed the Maximum Class 5 Amount or (ii) under the Non-Consensual Plan Alternative.

(b) On or before the Effective Date, the Trade Account Disbursing Agent shall establish, for the benefit of the holders of Allowed Trade Unsecured Claims, the Trade Account, which shall be funded, on the Effective Date, with Cash transferred by the Debtors or the Reorganized Debtors from funds that would otherwise constitute the collateral of the First Lien Lenders, which funds the First Lien Lenders have agreed to make available to preserve and foster the Reorganized Debtors' valuable trade and other continuing business relationships.

(c) On or before the Effective Date, the Debtors or the Reorganized Debtors, with the consent of the First Lien Agent, shall have identified the Claims that are eligible to be treated as Trade Unsecured Claims and shall provide such information to the Trade Account Disbursing Agent. Such eligible Trade Unsecured Claims shall not be entitled to a distribution from the Trade Account until such Claims are determined to be Allowed Claims.

(d) On, or as soon as reasonably practicable after, the Distribution Date, each holder of an Allowed Trade Unsecured Claim shall receive from the Trade Account Disbursing Agent, in full satisfaction, settlement, release, and discharge of and in exchange for, such Allowed Trade Unsecured Claim, either (i) if the aggregate amount of all eligible Allowed Trade Unsecured Claims is less than the Trade Account Cap, Cash in the amount of such holder's Allowed Claim or (ii) if the aggregate amount of all eligible Allowed Trade Unsecured Claims is more than the Trade Account Cap, then such holder's Pro Rata share of the Trade Account Cap.

(e) In the event that distributions are made on a Pro Rata basis, the Trade Account Disbursing Agent shall set aside from the initial allocation an amount of Cash sufficient to ensure the same Pro Rata allocation for any eligible Disputed Trade Unsecured Claims until such Claims are Allowed. If the amount of the allocation set aside for such Disputed Claims exceeds the Pro

Rata distribution to which such Claims are entitled when and if Allowed, such excess amount shall be held in the Trade Account until all Disputed Claims are resolved, and shall then be distributed on a Pro Rata basis among all eligible Allowed Trade Unsecured Claims.

(f) For the avoidance of doubt, as of the Effective Date, the funds in the Trade Account shall not constitute property of the Debtors or the Reorganized Debtors. All payments from the Trade Account shall be made by the Trade Account Disbursing Agent to the holders of eligible Allowed Trade Unsecured Claims, free and clear of all Liens, claims and encumbrances. After all payments from the Trade Account have been made, the undistributed portion of the Trade Account, if any, shall be distributed to the First Lien Lenders in accordance with Section 4.2(b) of the Plan.

6.10 Indemnification of Debtors' Directors, Officers, and Employees

The Reorganized Parent Governing Documents and the Reorganized Subsidiary Governing Documents shall contain provisions which, to the fullest extent permitted by applicable law, (i) eliminate the personal liability of the Debtors' directors, officers, and key employees serving before, on, and after the Petition Date and the Reorganized Debtors' directors, officers, and key employees serving on and after the Effective Date for monetary damages; and (ii) require such Reorganized Debtors, subject to appropriate procedures, to indemnify those of the Debtors' and the Reorganized Debtors' directors, officers, and key employees serving prior to, on, or after the Effective Date for all claims and actions, including, without limitation, for pre-Effective Date acts and occurrences.

6.11 Preservation of Rights of Action

Except as otherwise provided in the Plan, the Confirmation Order, a Final Order, or the Plan Supplement, and in accordance with Section 1123(b) of the Bankruptcy Code, on the Effective Date, the Debtors and the Reorganized Debtors shall retain all of their respective Litigation Rights against any Person. Each of the Debtors or Reorganized Debtors shall retain and may enforce, sue on, settle, or compromise (or decline to do any of the foregoing) all such Litigation Rights. **No Person may rely on the absence of a specific reference in the Plan, the Plan Supplement, or the Disclosure Statement to any claims, rights of action, suits, or proceedings against such Person as any indication that any of the Debtors or Reorganized Debtors, as applicable, will not pursue any and all available Litigation Rights against such Person. Unless any Litigation Rights are expressly waived, relinquished, exculpated, released, compromised, or settled in the Plan or by Final Order, the Debtors and the Reorganized Debtors expressly reserve all Litigation Rights for later adjudication and, therefore, no preclusion doctrine (including, without limitation, res judicata, collateral estoppel, issue preclusion, claim preclusion, estoppel, or laches) shall apply to any of the Litigation Rights upon, after, or as a consequence of the Confirmation Date or the Effective Date.**

6.12 Exemption from Certain Transfer Taxes

Pursuant to Section 1146(a) of the Bankruptcy Code, any transfers from a Debtor to a Reorganized Debtor or any other Person pursuant to the Plan in the United States, including any Lien granted by a Debtor or a Reorganized Debtor to secure the Exit Revolving Credit Facility or the New Second Lien Term Loan Facility, shall not be taxed under any law imposing a document recording tax, stamp tax, conveyance fee, intangibles or similar tax, mortgage tax, real estate transfer tax, mortgage recording fee, sales or use tax, or other similar tax or governmental assessment. Such exemption specifically applies, without limitation, to all documents necessary to evidence and implement distributions under the Plan, including the documents contained in the Plan Supplement and all documents necessary to evidence and implement any of the transactions and actions described in the Plan or the Plan Supplement including, without limitation, the Restructuring Transactions.

6.13 Corporate Action

On the Effective Date, the adoption and filing of the Reorganized Parent Governing Documents, the Reorganized Subsidiary Governing Documents, and all actions contemplated by the Plan shall be authorized and approved in all respects pursuant to the Plan. All matters provided for herein involving the corporate structure of the Debtors or Reorganized Debtors, and any corporate action required by the Debtors or Reorganized Debtors in connection with the Plan, shall be deemed to have occurred and shall be in effect, without any requirement of further action by the stockholders or Boards of Directors (or other governing bodies) of the Debtors or Reorganized Debtors.

6.14 Effectuating Documents; Further Transactions

Any chief executive officer, president, chief or principal financial officer, general counsel, or any other appropriate officer of any Debtor or Reorganized Debtor, as the case may be, shall be authorized, without the need for any required approvals,

authorizations, or consents except for any express consents required under the Plan, to issue, execute, deliver, file, or record such contracts, instruments, securities, releases, and other agreements or documents, and take such actions as may be necessary or appropriate to effectuate and further evidence the terms and conditions of the Plan. Any secretary or assistant secretary of any Debtor or Reorganized Debtor, as the case may be, shall be authorized to certify or attest to any of the foregoing actions.

6.15 Plan Supplement

The Plan Supplement shall be filed with the Clerk of the Bankruptcy Court no later than five (5) Business Days prior to the Plan Objection Deadline, and may be amended, modified, or supplemented prior to the Confirmation Hearing. Upon filing, all documents included in the Plan Supplement may be inspected via the Bankruptcy Court's electronic filing system or at <http://www.loganandco.com>. Holders of Claims or Interests may obtain a copy of any document included in the Plan Supplement upon written request in accordance with Section 11.17 of the Plan.

6.16 Compromise of Controversies

In consideration for the distributions and other benefits provided under the Plan, the provisions of the Plan constitute a good faith compromise and settlement of all Claims and controversies resolved under the Plan, and the Confirmation Order shall constitute the Bankruptcy Court's approval of such compromise and settlement under Rule 9019 of the Bankruptcy Rules.

ARTICLE VII

TREATMENT OF CONTRACTS AND LEASES

7.1 Assumption of Contracts and Leases; Cure

(a) Except as otherwise provided in the Plan, the Plan Supplement, or the Confirmation Order, as of the Effective Date, each Debtor shall be deemed to have assumed each executory contract or unexpired lease to which it is a party unless any such contract or lease (i) was previously assumed or rejected upon motion by a Final Order, (ii) previously expired or terminated pursuant to its own terms, (iii) is the subject of any pending motion, including to assume, to assume on modified terms, to reject or to make any other disposition filed by a Debtor on or before the Confirmation Date, or (iv) is included on the Contract/Lease Assumption Schedule. The Confirmation Order shall constitute an order of the Bankruptcy Court under Section 365(a) of the Bankruptcy Code approving the assumptions described above, as of the Effective Date.

(b) For the avoidance of doubt, in no event shall any purchase and sale agreement or other transaction agreement that was closed and substantially consummated prior to the Petition Date be considered to be an executory contract and, thus, in no event shall any such agreement be subject to deemed assumption under Section 7.1(a) of the Plan. Outstanding obligations owed to the Debtors under any such agreements shall continue in full force and shall be enforceable by the Debtors or the Estates. Outstanding obligations owed by the Debtors under any such agreements shall constitute Claims to be treated under the Plan in the Class applicable to each of such Claims.

(c) Each executory contract and unexpired lease that is assumed pursuant to the Plan shall include (i) all modifications, amendments, supplements, restatements, or other agreements made directly or indirectly by any agreement, instrument, or other document that in any manner affects such contract or lease and (ii) all contracts or leases appurtenant to the premises, including all easements, licenses, permits, rights, privileges, immunities, options, rights of first refusal, powers, uses, reciprocal easement agreements, vaults, tunnel or bridge agreements or franchises, and any other interests in real estate or rights *in rem* related to such premises, unless any of the foregoing agreements has been rejected pursuant to an order of the Bankruptcy Court.

(d) To the extent applicable, each executory contract or unexpired lease that is assumed pursuant to the Plan shall be deemed modified such that the transactions contemplated by the Plan shall not be a "change of control," however such term may be defined in the relevant contract or lease, and any required consent under any such contract or lease shall be deemed satisfied by the Confirmation of the Plan.

(e) Any monetary amounts by which each executory contract and unexpired lease to be assumed pursuant to the Plan is in default, plus any resulting actual pecuniary loss, shall be satisfied, under Section 365(b)(1)(A) and, if applicable, Section 365(b)(1)(B) of the Bankruptcy Code, by Cure. If there is a dispute regarding (i) the nature or amount of any Cure, (ii) the ability of any Reorganized Debtor to provide adequate assurance of future performance (within the meaning of Section 365 of the Bankruptcy Code) under the contract or lease to be assumed, or (iii) any other matter pertaining to assumption, Cure shall occur following the entry of a Final Order resolving the dispute and approving the assumption, except as provided in Section 7.6(b) of the Plan.

(f) Except as otherwise provided in the Plan or by Final Order of the Bankruptcy Court, all Cure obligations with respect to assumed contracts and assumed leases shall be treated as Administrative Claims pursuant to Section 4.1(a) of the Plan.

7.2 Assumption Pursuant to Contract/Lease Assumption Schedule

(a) The Debtors may seek to assume executory contracts or unexpired leases by including them on the Contract/Lease Assumption Schedule. On or before the day that is fourteen (14) days before the Plan Objection Deadline, the Debtors shall file the Contract/Lease Assumption Schedule and provide notice thereof to the counterparties to the contracts and leases listed thereon; *provided, however*, that the Debtors reserve the right to amend the Contract/Lease Assumption Schedule at any time prior to the Confirmation Date on notice to the counterparties affected thereby.

(b) The deadline for objecting to the Contract/Lease Assumption Schedule shall be the Plan Objection Deadline, or in the event of an amendment to the Contract/Lease Assumption Schedule such deadline as is prescribed in the notice of amendment. The failure of any counterparty to an executory contract or unexpired lease to timely file and serve an objection, including, without limitation, an objection to the proposed assumption, the provision of adequate assurance of future performance, or the designated Cure amount, shall be deemed to be a waiver of all objections and a consent for all purposes to the assumption as set forth on the Contract/Lease Assumption Schedule. In particular, and without limiting the foregoing, in the absence of an objection to the designated Cure amount, such Cure amount shall be binding on the counterparty, and such counterparty shall be deemed to have waived any and all rights to seek payment from the Debtors in an amount that exceeds the designated Cure amount. In the event of a timely objection to the designated Cure amount, the provisions of Section 7.6(b) of the Plan shall be applicable.

(c) Each contract and lease that is assumed pursuant to the Contract/Lease Assumption Schedule shall include (i) all modifications, amendments, supplements, restatements, or other agreements made directly or indirectly by any agreement, instrument, or other document that in any manner affects such contract or lease and (ii) all contracts or leases appurtenant to the premises, including all easements, licenses, permits, rights, privileges, immunities, options, rights of first refusal, powers, uses, reciprocal easement agreements, vaults, tunnel or bridge agreements or franchises, and any other interests in real estate or rights *in rem* related to such premises, unless any of the foregoing agreements has been rejected pursuant to an order of the Bankruptcy Court. Any Liens held by a party as of the Petition Date to secure the Debtors' obligations under any assumed contract or lease shall continue in full force and effect, subject to the priorities existing as of the Petition Date.

(d) To the extent applicable, each contract or lease that is assumed pursuant to the Contract/Lease Assumption Schedule shall be deemed modified such that the transactions contemplated by the Plan shall not be a "change of control," however such term may be defined in the relevant contract or lease, and any required consent under any such contract or lease shall be deemed satisfied by the Confirmation of the Plan.

(e) All executory contracts and unexpired leases of the Debtors listed on the Contract/Lease Assumption Schedule shall be assumed under Section 365 of the Bankruptcy Code, unless otherwise ordered by the Bankruptcy Court pursuant to an objection or unless the Debtors elect rejection pursuant to the provisions of Section 7.6(b) of the Plan. The Confirmation Order shall constitute an order of the Bankruptcy Court under Section 365(a) of the Bankruptcy Code approving all assumptions that as of the Confirmation Date are not subject to an amendment as to which the objection period has not expired or are not subject to a pending objection. The Debtors may seek additional orders from the Bankruptcy Court to approve any assumptions that as of the Confirmation Date are subject to an amendment as to which the objection period has not expired or are subject to a pending objection.

7.3 Assumption of Certain Modified Contracts; Approval and Ratification of Certain Contract Settlements

(a) The collective bargaining agreements, assumption agreements, settlement agreements, and other agreements and obligations between the Debtors and (i) the Directors Guild of America, Inc., the Screen Actors Guild, Inc., the Writers Guild of America West, Inc. for itself and its affiliate Writers Guild of America East, Inc., (ii) the Alliance of Canadian Cinema, Television and Radio Artists, (iii) the American Federation of Television and Radio Artists (iv) the Media Entertainment and Arts Alliance, and (v) Equity shall be modified with respect to prepetition obligations in accordance with the terms of the respective Guild Settlements (with any prepetition obligations (other than residuals and fringes thereon) not subject to the respective Guild Settlements to remain in effect in accordance with the terms of the applicable underlying agreements). As so modified, all such agreements shall be assumed or deemed to have been assumed by the applicable Debtors under Section 365(a) of the Bankruptcy Code, effective as of the Effective Date. Cure shall be paid by the Debtors in such amount and at such times as the parties have agreed under the terms of the respective Guild Settlements. Unless otherwise provided under the terms of the respective Guild Settlements, any Liens held by the Guilds as of the Petition Date shall continue, subject to the priorities existing as of the Petition Date. The Guild Settlements shall be deemed approved in their entireties by the Confirmation Order.

(b) The Film Obligation Settlements are ratified by the Debtors and, to the extent required by their respective terms, shall be deemed approved in their entireties by the Confirmation Order. To the extent that the Film Obligation Settlements constitute executory contracts, they shall be deemed to have been assumed by the applicable Debtors under Section 365(a) of the Bankruptcy Code, effective as of the Effective Date. The distribution, license, and related agreements that are subject to the respective Film Obligation Settlements shall have been, or as of the Effective Date shall be, modified in accordance with, and superseded to the extent inconsistent with, the terms of the respective Film Obligation Settlements. To the extent that the terms of the respective Film Obligation Settlements require the continuation of any of such subject agreements, as thereby modified, such continuing agreements as so modified shall be assumed or deemed to have been assumed under Section 365(a) of the Bankruptcy Code, effective as of the Effective Date. To the extent that the terms of the respective Film Obligation Settlements do not require the continuation of any of such subject agreements, such discontinuing agreements shall be deemed terminated or amended, as applicable, to give effect to the Film Obligation Settlements. Unless otherwise provided under the terms of each respective Film Obligation Settlement, any Liens held by a party to each such Film Obligation Settlement shall continue, subject to the priorities existing as of the Petition Date. Nothing herein shall limit or restrict the right of the Debtors to seek approval of any settlement with any producer, licensor, customer, or lender to any such party pursuant to a motion filed with the Bankruptcy Court.

(c) The New York Lease Settlement shall be subject to approval, and the underlying lease as modified by the New York Lease Settlement shall be subject to assumption, by a Final Order entered pursuant a motion filed with the Bankruptcy Court.

7.4 Compensation and Benefit Programs

(a) Except to the extent (i) otherwise provided for in the Plan, (ii) previously assumed or rejected by an order of the Bankruptcy Court entered on or before the Confirmation Date, (iii) the subject of a pending motion to reject filed by a Debtor on or before the Confirmation Date, or (iv) previously terminated, all Employee Programs in effect before the Effective Date, shall be deemed to be, and shall be treated as though they are, contracts that are assumed under the Plan, unless otherwise provided in or subject to any modifications included in the New Management Incentive Plan. Nothing contained herein shall be deemed to modify the existing terms of Employee Programs, including, without limitation, the Debtors' and the Reorganized Debtors' rights of termination and amendment thereunder.

(b) To the extent any change of control provision contained in any Employee Program would be triggered solely as a result of the transactions contemplated by the Plan, such Employee Program shall not be assumed to the extent a waiver of the change of control provision is not executed by the employee having the benefit of such change of control provision, but otherwise shall remain in full force and effect and may be triggered as a result of any transactions occurring outside of the Plan after the Effective Date.

(c) As of the Effective Date, any and all equity incentive plans, equity ownership plans, or any other equity-based plans entered into before the Effective Date, including Claims arising from any change of control provision therein, shall be deemed to be, and shall be treated as though they are, contracts that are rejected pursuant to Section 365 of the Bankruptcy Code under the Plan pursuant to the Confirmation Order. Any Claims resulting from such rejection shall constitute Subordinated Claims and shall be treated in accordance with Section 4.2(f) of the Plan.

7.5 Certain Indemnification Obligations

(a) Indemnification Obligations owed to those of the Debtors' directors, officers, and employees serving prior to, on, and after the Petition Date shall be deemed to be, and shall be treated as though they are, contracts that are assumed pursuant to Section 365 of the Bankruptcy Code under the Plan, and such Indemnification Obligations (subject to any defenses thereto) shall survive the Effective Date of the Plan and remain unaffected by the Plan, irrespective of whether obligations are owed in connection with a pre-Petition Date or post-Petition Date occurrence.

(b) Indemnification Obligations owed to any of the Debtors' Professionals pursuant to Sections 327 or 328 of the Bankruptcy Code and order of the Bankruptcy Court, whether such Indemnification Obligations relate to the period before or after the Petition Date, shall be deemed to be, and shall be treated as though they are, contracts that are assumed pursuant to Section 365 of the Bankruptcy Code under the Plan.

(c) Except as provided in Sections 7.5(a) and 7.5(b) of the Plan, Indemnification Obligations owed under any agreement that is not executory, or that is not otherwise expressly assumed, shall not constitute executory obligations and shall not be subject to assumption under the Plan. Instead, such Indemnification Obligations shall constitute Claims to be treated under the Plan in the Class applicable to each of such Claims.

7.6 Rejection of Contracts and Leases; Rejection Damages Claims

(a) The Debtors reserve the right, at any time prior to the Effective Date, except as otherwise specifically provided herein, to seek to reject any contract or lease to which any Debtor is a party and to file a motion requesting authorization for the rejection of any such contract or lease. Any contracts or leases that expire by their terms prior to the Effective Date are deemed to be rejected, unless previously assumed or otherwise disposed of by the Debtors.

(b) In the event of a Final Order resolving a dispute as to the nature or amount of any Cure owed with respect to a contract or lease to be assumed, the Reorganized Debtors shall be authorized to reject the contract or lease to the extent the Reorganized Debtors, in the exercise of their sound business judgment, conclude that the amount of the Cure obligation as determined by such Final Order renders assumption of such contract or lease unfavorable to the Reorganized Debtors. The Debtors shall be authorized to effect such rejection by filing a written notice of rejection with the Bankruptcy Court and serving such notice on the applicable counterparty within ten (10) days of the entry of such Final Order.

(c) If the rejection by a Debtor, pursuant to the Plan or otherwise, of a contract or lease results in a Rejection Damages Claim, then such Rejection Damages Claim shall be forever barred and shall not be enforceable against any Debtor or Reorganized Debtor or the properties of any of them unless a Proof of Claim is filed with the claims agent and served upon counsel to the Reorganized Debtors within thirty (30) days after entry of the order authorizing the rejection of such contract or lease. The Debtors reserve their rights to object to any Rejection Damages Claim.

(d) Rejection Damages Claims shall be treated as General Unsecured Claims pursuant to and in accordance with the terms of Section 4.2(e) of the Plan.

7.7 Extension of Time to Assume or Reject

Notwithstanding anything set forth in Article VII of the Plan, in the event of a dispute as to whether a contract is executory or a lease is unexpired, the right of the Reorganized Debtors to move to assume or reject such contract or lease shall be extended until the date that is thirty (30) days after entry of a Final Order by the Bankruptcy Court determining that the contract is executory or the lease is unexpired. The deemed assumption provided for in Section 7.1(a) of the Plan shall not apply to any such contract or lease, and any such contract or lease shall be assumed or rejected only upon motion of the Reorganized Debtors following the Bankruptcy Court's determination that the contract is executory or the lease is unexpired.

ARTICLE VIII

PROVISIONS GOVERNING ALLOWANCE OF CLAIMS AND DISTRIBUTIONS

8.1 Objections to Claims

(a) All objections to Claims must be filed and served on the holders of such Claims by the applicable Claim Objection Deadline. If an objection has not been filed to a Proof of Claim or Request for Payment by the Claim Objection Deadline, the Claim to which the Proof of Claim or Request for Payment relates shall be treated as an Allowed Claim if not otherwise an Allowed Claim. The Reorganized Debtors may, at any time, request that the Bankruptcy Court estimate any contingent or unliquidated Claim pursuant to Section 502(c) of the Bankruptcy Code, regardless of whether the Debtors have previously objected to such Claim or whether the Bankruptcy Court has ruled on any such objection, and the Bankruptcy Court shall retain jurisdiction to estimate any Claim at any time during litigation concerning any objection to any Claim, including during the pendency of any appeal relating to any such objection. In the event the Bankruptcy Court so estimates any contingent or unliquidated Claim, that estimated amount shall constitute either the Allowed amount of such Claim or a maximum limitation on such Claim, as determined by the Bankruptcy Court. If the estimated amount constitutes a maximum limitation on such Claim, the Reorganized Debtors may elect to pursue any supplemental proceedings to object to any ultimate payment on such Claim. All of the aforementioned objection, estimation, and resolution procedures are cumulative and are not necessarily exclusive of one another. Claims may be estimated and thereafter resolved by any permitted mechanisms.

(b) After the Effective Date, only the Reorganized Debtors shall have the authority to file objections to Claims and to settle, compromise, withdraw, or litigate to judgment objections to Claims. The Reorganized Debtors may settle or compromise any Disputed Claim without approval of the Bankruptcy Court.

(c) In no event shall the Debtors or the Reorganized Debtors be required to file an objection to (i) under the Non-Consensual Plan Alternative or under the Consensual Plan Alternative if the Estimated Class 5 Allowed Claims are determined to

exceed the Maximum Class 5 Amount, a General Unsecured Claim (unless such Claim is an eligible Trade Unsecured Claim), (ii) a Subordinated Claim, or (iii) any other Claim that is not entitled to receive or retain any property under the Plan. The holder of any such Claim shall acquire no rights under the Plan or otherwise against the Reorganized Debtors or their assets as a consequence of the non-filing of an objection.

8.2 Distributions for Claims Allowed as of Distribution Date

A Claim shall be entitled to receive distributions under the Plan only if such Claim is classified in a Class that is entitled to receive distributions under the Plan and only if the Claim is an Allowed Claim. Except as otherwise provided in the Plan or as ordered by the Bankruptcy Court, all distributions to holders of Allowed Claims as of the applicable Distribution Date shall be made on or as soon as practicable after the applicable Distribution Date. Distributions on account of Claims that first become Allowed Claims after the applicable Distribution Date shall be made pursuant to Section 8.3 of the Plan. The Reorganized Debtors shall have the right, in their discretion, to accelerate any Distribution Date occurring after the Effective Date if the facts and circumstances so warrant.

8.3 Treatment of Disputed Claims Pending and Following Allowance

(a) Notwithstanding any other provisions of the Plan, no payments or distributions shall be made on account of a Disputed Claim or, if less than the entire Claim is a Disputed Claim, the portion of a Claim that is Disputed, until such Claim becomes an Allowed Claim; *provided, however*, that the Reorganized Debtors may elect to withhold distributions on the portion of a Claim that is not Disputed until the portion of the Claim that is Disputed is resolved by Final Order.

(b) The Disbursing Agent shall, on the applicable Distribution Date, make distributions on account of any Disputed Claim that has become an Allowed Claim. Such distributions shall be made pursuant to the provisions of the Plan governing the Class applicable to each respective Allowed Claim. Such distributions shall be equivalent to the distributions that would have been made to the holder of such Claim under the Plan if the Disputed Claim had been an Allowed Claim on the Effective Date in the amount ultimately Allowed.

8.4 No Interest on Claims

Unless otherwise specifically provided for in the Plan or the Confirmation Order, or required by applicable bankruptcy law, postpetition interest shall not accrue or be paid on Claims, and no holder of a Claim shall be entitled to interest accruing on or after the Petition Date on any Claim. Interest shall not accrue or be paid upon any Disputed Claim that may become an Allowed Claim in respect of the period from the Petition Date to the date a final distribution is made thereon.

8.5 Disbursing Agent

(a) On or before the Effective Date, the Debtors shall designate the Person or Persons (whether Reorganized RHI INC, any of the other Reorganized Debtors, or one or more independent third parties) to serve as the Plan Disbursing Agent on mutually agreeable terms and conditions. If the Plan Disbursing Agent is an independent third party designated to serve in such capacity, such Plan Disbursing Agent shall receive, without further Bankruptcy Court approval, reasonable compensation for distribution services rendered pursuant to the Plan and reimbursement of reasonable out of pocket expenses incurred in connection with such services from Reorganized RHI INC.

(b) If Section 6.9 of the Plan is applicable, on or before the Effective Date, the First Lien Agent shall designate the Person to serve as the Trade Account Disbursing Agent on mutually agreeable terms and conditions. The Trade Account Disbursing Agent shall receive, without further Bankruptcy Court approval, reasonable compensation for distribution services rendered pursuant to the Plan and reimbursement of reasonable out of pocket expenses incurred in connection with such services from Reorganized RHI INC.

(c) No Disbursing Agent shall be required to give any bond or surety or other security for the performance of its duties unless otherwise ordered by the Bankruptcy Court.

8.6 Application of Distribution Record Date

(a) At the close of business on the Distribution Record Date, the registers maintained by the First Lien Agent and the Second Lien Agent shall be closed and there shall be no further changes in the listed holders of the Existing First Lien Claims and Existing Second Lien Claims for purposes of distributions under the Plan. The Reorganized Debtors, the Disbursing Agent, the First Lien Agent, the Second Lien Agent, and each of their respective agents, successors, and assigns shall have no obligation to recognize

any transfer of Existing First Lien Claims or Existing Second Lien Claims occurring after the Distribution Record Date and shall be entitled instead to recognize and deal for all purposes hereunder with only those record holders stated on the register as of the close of business on the Distribution Record Date (or, in the case of the issuance of New Common Stock or New Warrants, an affiliated designee of such record holder which is reflected as such on the register or as to which the Debtors, the Disbursing Agent, and, as applicable, the First Lien Agent or the Second Lien Agent have received written notice from the record holder by the close of business on the Distribution Record Date).

(b) At the close of business on the Distribution Record Date, the claims register maintained by the claims agent shall be closed and there shall be no further changes in the listed holders of the Claims. The Reorganized Debtors, the Disbursing Agent, claims agent, and each of their respective agents, successors, and assigns shall have no obligation to recognize any transfer of Claims occurring after the Distribution Record Date and shall be entitled instead to recognize and deal for all purposes hereunder with only those record holders stated on the claims register as of the close of business on the Distribution Record Date irrespective of the number of distributions to be made under the Plan to such Persons or the date of such distributions.

8.7 Delivery of Distributions; Undeliverable Distributions

(a) Distributions to holders of Allowed Claims shall be made by the Disbursing Agent (i) at the addresses set forth on the Proofs of Claim filed by such holders, (ii) at the addresses set forth in any written notices of address changes delivered to the Debtors, the claims agent, or the Disbursing Agent after the date of any related Proof of Claim, (iii) at the addresses reflected in the Schedules if no Proof of Claim has been filed and a written notice of a change of address has not been received by the Debtors, the claims agent, or the Disbursing Agent, or (iv) in the case of the First Lien Lenders and the Second Lien Lenders, at the addresses provided by the First Lien Agent and the Second Lien Agent, respectively.

(b) If any holder's distribution is returned as undeliverable, no further distributions to such holder shall be made unless and until the Disbursing Agent is notified by the Debtors, the claims agent, or such holder of such holder's then current address, at which time all missed distributions shall be made to such holder without interest. If any distribution is made by check and such check is not returned but remains uncashed for six (6) months after the date of such check, the Disbursing Agent may cancel and void such check, and the distribution with respect thereto shall be deemed undeliverable. If any holder is requested to provide a taxpayer identification number or to otherwise satisfy any tax withholding requirements with respect to a distribution and such holder fails to do so within six (6) months of the date of such request, such holder's distribution shall be deemed undeliverable.

(c) Unless otherwise agreed between the Reorganized Debtors and the Plan Disbursing Agent, amounts in respect of returned or otherwise undeliverable or unclaimed distributions made by the Plan Disbursing Agent on behalf of the Reorganized Debtors shall be returned to the Reorganized Debtors until such distributions are claimed. All claims for returned or otherwise undeliverable or unclaimed distributions must be made (i) on or before the first (1st) anniversary of the Effective Date or (ii) with respect to any distribution made later than such date, on or before six (6) months after the date of such later distribution; after which date all undeliverable property shall revert to the Reorganized Debtors free of any restrictions thereon and the claims of any holder with respect to such property shall be discharged and forever barred, notwithstanding any federal or state escheat laws to the contrary. In the event of a timely claim for any returned or otherwise undeliverable or unclaimed distribution, the Reorganized Debtors shall deliver the applicable distribution amount or property to the Plan Disbursing Agent for distribution pursuant to the Plan.

(d) If Section 6.9 of the Plan is applicable, amounts in respect of returned or otherwise undeliverable or unclaimed distributions made by the Trade Account Disbursing Agent shall be retained by the Trade Account Disbursing Agent in the Trade Account until such distributions are claimed. All claims for returned or otherwise undeliverable or unclaimed distributions must be made (i) on or before three (3) months after the Effective Date or (ii) with respect to any distribution made later than such date, on or before three (3) months after the date of such later distribution; after which date all undeliverable property shall revert to the Trade Account free of any restrictions thereon and the claims of any holder with respect to such property shall be discharged and forever barred, notwithstanding any federal or state escheat laws to the contrary. In the event of a timely claim for any returned or otherwise undeliverable or unclaimed distribution, the Trade Account Disbursing Agent shall deliver the applicable distribution amount to the holder entitled thereto.

(e) Nothing contained in the Plan shall require any Debtor, any Reorganized Debtor, or any Disbursing Agent to attempt to locate any holder of an Allowed Claim.

8.8 Means of Cash Payment

Cash payments made pursuant to the Plan shall be in U.S. funds, by check or wire transfer or by such other commercially reasonable means as may be agreed to by the Disbursing Agent and the payee.

8.9 Calculation of Distribution Amounts of New Securities

No fractional shares of New Common Stock or fractional New Warrants shall be issued or distributed under the Plan and no Cash shall be distributed in lieu of such fractional shares or warrants. Whenever any distribution of New Common Stock or New Warrants to a particular Person would otherwise call for distribution of a fraction, the actual distribution of such shares or warrants shall be rounded to the next higher or lower whole number as follows: (a) fractions one-half ($\frac{1}{2}$) or greater shall be rounded to the next higher whole number and (b) fractions of less than one-half ($\frac{1}{2}$) shall be rounded to the next lower whole number. Notwithstanding the foregoing, whenever rounding to the next lower whole number would result in such Person receiving zero shares or zero warrants, as applicable, such Person shall receive one (1) share of New Common Stock or one (1) New Warrant, as applicable. If two or more Persons are entitled to equal fractional entitlements and the aggregate amount of New Common Stock or New Warrants that would otherwise be issued to such Persons with respect to such fractional entitlements as a result of such rounding exceeds the number of whole shares of New Common or whole New Warrants which remain to be allocated, the Disbursing Agent shall allocate the remaining whole shares or warrants by random lot or such other impartial method as the Disbursing Agent deems fair. Upon the allocation of all of the whole New Securities authorized under the Plan, all remaining fractional portions of the entitlements shall be cancelled and shall be of no further force and effect.

8.10 Withholding and Reporting Requirements

In connection with the Plan and all distributions hereunder, the Disbursing Agent shall, to the extent applicable, comply with all tax withholding and reporting requirements imposed by any federal, state, provincial, local, or foreign taxing authority, and all distributions hereunder shall be subject to any such withholding and reporting requirements. The Disbursing Agent shall be authorized to take any and all actions that may be necessary or appropriate to comply with such withholding and reporting requirements. Notwithstanding any other provision of the Plan, (a) each holder of an Allowed Claim that is to receive a distribution pursuant to the Plan shall have sole and exclusive responsibility for the satisfaction and payment of any tax obligations imposed by any governmental unit, including income, withholding, and other tax obligations, on account of such distribution, and (b) no distribution shall be made to or on behalf of such holder pursuant to the Plan unless and until such holder has made arrangements satisfactory to the Disbursing Agent for the payment and satisfaction of such withholding tax obligations. Any property to be distributed pursuant to the Plan shall, pending the implementation of such arrangements, be treated as an undeliverable distribution to be held by the Disbursing Agent until such time as the Disbursing Agent is satisfied with the holder's arrangements for any withholding tax obligations.

8.11 Setoffs

The Reorganized Debtors may, but shall not be required to, set off against any Claim, and the payments or other distributions to be made pursuant to the Plan in respect of such Claim, claims of any nature whatsoever that the Debtors or the Reorganized Debtors may have against the holder of such Claim; *provided, however*, that neither the failure to do so nor the allowance of any Claim hereunder shall constitute a waiver or release by the Reorganized Debtors of any such claim that the Debtors or the Reorganized Debtors may have against such holder.

8.12 De Minimis Distributions

Neither the Reorganized Debtors nor the Disbursing Agent shall have any obligation to make a Cash distribution with respect to any Claim if the amount of the distribution is less than \$20.00. The Claim of any holder whose distribution is in an amount less than \$20.00 shall be discharged, and such holder shall be forever barred from asserting such Claim against the Reorganized Debtors, their respective property, or, if applicable, the Trade Account. Any Cash not distributed by the Plan Disbursing Agent as a result of this provision shall be the property of the Reorganized Debtors, free of any restrictions, and any such Cash held by the Plan Disbursing Agent shall be returned to the Reorganized Debtors following the Distribution Date that would have applied to any such distribution. If applicable, any Cash not distributed by the Trade Account Disbursing Agent as a result of this provision shall be retained in the Trade Account for disposition as provided for in Section 6.9 of the Plan.

8.13 No Distributions in Excess of Allowed Claim Amount

Notwithstanding anything to the contrary herein, no holder of an Allowed Claim shall receive in respect of such Claim any distribution of a value as of the Effective Date in excess of the Allowed amount of such Claim (excluding payments on account of interest due and payable from and after the Effective Date pursuant to the Plan).

8.14 Allocation of Distributions

All distributions received under the Plan by holders of Claims shall be deemed to be allocated first to the principal amount of such Claim as determined for United States federal income tax purposes and then to accrued interest, if any, with respect to such Claim.
